Kagney Lynn Karter is not your typical porn star. She actually likes what she does. In today's world of get in young, make the money and get out young, Kagney has made a career of it. Starting out at the ripe young age of 21, she has weathered the porn storms to rise to the top with several porn awards to her credit.

Kagney rarely takes a vacation from porn. Seems like some people were just born to suck

From Julie in Massachusetts...

I really like to have my pussy licked. I don't really care is a guy or girl does it, just as long as someone does it! I want a tongue probing the insides of my pussy as far as it will go. Don't get me wrong, a cock is okay but it can't do what a tongue does! I've been with this girl Michelle for a few months now who just does me right. She's a great pussy licker, but won't tell me where she learned it. I always tease her about that. She'll lick and suck me until I cum in her mouth.

The other night we were at the movies. You know, one of those romantic movies that women like. I promised her a great night of sex if she would come with me movie with me and try not to cry. She did and afterwards said she actually liked the film. But she also brought up the promise that I made and as soon as we got back to my apartment, I slammed and locked the door, grabbed her and started rubbing my crotch on hers.

Michelle was already wet and I was unzipping her pants before our coats came off. She dropped her coat then took mine off and immediately slipped her hand up my skirt. A surprised look hit her face as she felt no underwear. I smiled at her and pulled up my top and he saw no bra either. I pressed my bare boobs on her chest and my nipples got even harder. I felt her fingers enter my pussy and I moaned and squeezed my legs tighter to keep them there so I could get extra wet for what was about to happen.

She led me over to this big double-sized chair in the living room, stripped me naked and

left me there. She went into her bedroom and came back after a moment with a huge vibrator I had not seen before. It was a flesh colored and had an bunny-looking appendage coming out from the shaft that was a clit-tickler. She turned it on and could see right away that it was turning me on. She put it near my pussy to tease me, but then knelt down and began licking me holding the vibe at the opening to my slit.

She then turned the bunny to the back so it could tickle my booty hole. It felt great as she lowered her tongue onto my clit and I felt all the sensations: her warm wet tongue on my love button, the buzzing vibe inside my pussy, and the tickler going at it between my butt cheeks. I closed my eyes and just took it all in, literally. After a few hip grinds, well-timed licks, and butt pinches (she knows all the tricks), I came so hard I fell off the chair!

From Adrienne in Florida...

I just love men with big, thick cocks. And the bigger, the better. Some ladies think that too big hurts when you fuck, but I love the long schlong and just cannot get enough if it. I've mastered giving head with my mouth and hands so that the guy feels like it's all in. Men love that!

My hottest sex was the first time I had a man with a big cock. His name was Marty. We were in my kitchen and he started by kissing me deeply, shoving his tongue as deep into my mouth as he could. Little did I know that was just the start of bigger things to cum. I moaned with pleasure as his hands moved down and tore my blouse open and began fondling my breasts, kissing each one and then kissing me some more. Then, he pulled my skirt and panties off in one swift motion and before I

knew it he laid me back on the table, pulled out his huge cock and pushed it inside of me. I shouted out loud with pain and then pleasure and after few deft strokes he got into a rhythm that filled me with ecstasy and I came within five minutes.

He pumped furiously a few more times and as I sensed he was about to cum, I pulled his cock out of me and was amazed at its size. My hand did not go all the way around it. I pushed him back, stood up and looked down at it. After a moment I looked at him and was about to say something when he blurted out that if he let me see it before we fucked that I wouldn't do it with him. I chuckled at him and said it was all right. I enjoyed it. Wasn't it obvious, I came immediately.

Now that his secret was out, and he hadn't cum, I got on my knees and started to give him a blow job. The cock's head was just enormous. It was the size of a tennis ball but purple with an inch long slit in it. The shaft was long and thick. Like one of those English cucumbers but fatter and not green. Blood vessels were bulging and it looked like a Medieval battering ram. Undaunted, I took it in both hands and began licking it all around. The taste of my pussy juices was replaced with liquid from my mouth and I grabbed the shaft with both hands, pulling and pushing it as I sucked on the head.

I slid my tongue into the slit and wiggled it around tickling him. I moved down the shaft to his balls. I noticed that they were normal size and I tasted them. As I looked up, that huge penis extended to his navel! As I slipped a hand up to it's tip, my arm was just a little longer than his cock. My eyes opened wide with amazement as I licked up the shaft and back onto the tip of his cock. I got the head and a couple inches in and managed to get him off. Marty has ruined me for all normal size cocked men. I've become a size-freak - and love it!!! If there are others like me out there, be happy. Those men are few and far between!

From Henry B. in Georgia...

The other day I was thinking about this chick saw in a runway show at our mall, and I had to sit and write this down. If I send it or not, I'll decide after I finish it. Her creamy skin got my mouth to watering and my dick to hardening. Her boobs looked near perfect - I likes 'em a bit bigger myself, but those would do. I'm sure I probably would never meet her or have a chance to fuck her, but, man, if I did she wouldn't want anyone else. First I'd take her clothes off to find she don't wear underwear. She would know I'm a man that wants to get right to it. Forget the kiss, I go right for the pussy. My mouth would suck it all in, her wet juices getting all over my stache. I'd lick her, suck her clit and make her cum. Don't need no fingers to do the job, my tongue can handle it. After she cum on me, then I kiss her mouth and make her suck her sweet juices from my stache. That way she can taste what I was tasting. Okay, I'm done, man and I'm going to be sending you this letter.

From Erick in Calgary...

My girlfriend accuses me of being a player and I need another opinion. We go out and it's the college gals that wanna get with me. I'm focused on my chick but she only sees the others. I'm not that good looking but I'm reeking with confidence. No problem talking to anyone, and that's what gets me in trouble. Oh, she's happy

and fuck. Her big boobs and big booty are in constant demand. Her "love you to fuck me" attitude is both sweet and nasty and she gives some of the best head and pussy-licking in the business. So we invite you to sit back and enjoy the fruits of her labor.

Kagney started out in the adult business out of her Midwest roots, which she said, were a little boring so she moved on to Los Angeles to continue her career. Until that point she had not done a hardcore scene. But after her first go at it, she was in love with sex on camera and has flourished ever since. A performer who truly loves sex, Kagney is the favorite of many of her partners. They

in the bedroom cause I'm big and she like that. She needs two hands to get round my dick. But when we aren't fucking and the focus isn't on her, she's all over me. How do I tell her she's cool and only needs to fuck with my dick and not with my mind?

From Ronnie in Ohio...

Believe it or not, I'm a woman writing to your magazine. I'm not going to bitch and I'm not going to complain about the photographs. What I want to say to you, and to your readers, is that getting fucked in the ass really hurts. I don't know how the girls in the pictures can have a dick up there and keep smiling. A finger I can take and even a thin dildo, but a cock is too much.

I've done it a few times and I do it for my boyfriend, but the to go through the pain can be too much sometimes. When I give it up to him, he has to really grease it up, start with a finger or dildo before I let him put his cock in my asshole. He's a booty lover so it's hard to say no. He loves my booty and I love to let him have it. But it still hurts, dammit.

From Jaylee in New York...

I was once a homebody but after I divorced my husband, I rediscovered myself. Now I'm a bit of a party girl and I'm loving my new found freedom. I have even started seeing women and that is quite fun. The old me thought loving a woman was a big taboo. The new me thinks it's big excitement. If you've never tried it, do. It's great! I discovered that my neighbor, whom I've lived next to for more than twenty years - was gay. That came as quite a surprise to me; but we were always friends. And now we've become deeper friends and lovers.

I learned this when I saw her sad one day and she confided in me that her girlfriend of ten years had left her - for a man, no less. I consoled her and a few months later we became lovers and see each other often.

I have not given up men. There's just something about a hard cock inside you that a dildo or vibe just cannot match. And the intensity of fucking that a man brings is just not the same as with a woman. I think I now have the best of both worlds.

And I'd like to thank my ex for that.

like her enthusiasm, her willingness to please, and her always great attitude on set. She tells us that carries over to her private life as well. She is also the star of many web-sites; some devoted to her, some linked to her friends.

Kagney is a bit of an exhibitionist. With those boobs, that butt and that body, who wouldn't be. She likes men and women equally well and can please either sex with just a flick of her tongue.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them - or not. Either way, we enjoy reading them all.

ARIANA

Not all women have the sex drive I seem to have. There is a whole world of sex out there other than the missionary. I think I've tried almost every position of the Kama Sutra, and maybe even invented a few on my own. It was a lot of fun trying to figure them out. So I always encourage everyone to explore their own desires in a safe manner. Have fun!

College-age girls... It's the age when women look their best. And Dillion is looking extra fine. She gives us a peek of her bald pussy, and it is all we need to see to get hooked in. SABRINA ♀ JAYME

Oh yes, we love making love to women. And we think it's for all the right reasons. Women are soft and sexy. They're gentle lovers and usually know how to please another woman. But what really turns us on is sixty-nining. Pussy is so nice. We love the feel of a shaved kitty and the little pink clit that lies hidden until your tongue coaxes it out. Believe it or not, our best orgasms have been clitoral. It's so intense!

when
the

away...

yes,
the
sister
will
play!

It was a warm sunny summer afternoon and I headed over to my friend's house to see if he wanted to play golf. It was a Saturday and even though the links would be crowded, I was in a great mood and I felt that I could beat him good today.

When I got to his house and rang the bell, his sister answered the door. She was in her mid-twenties but I remember her when she was just entering high school. She had blossomed into quite a woman over the years with a great ass and double Ds. Her name was Shelly and she was wearing glasses and a white cotton shirt and that showed plenty of cleavage and her

skirt was very short and tight as well. She she greeted me with a smile and told me to come upstairs. I gladly followed her up the stairs as I stared at her lovely ass as it wiggled in front of my face as I walked up behind her. We got to their apartment and she told me to have a seat in the living room. I walked over and sat on the couch as she walked to the back of the apartment. I figured she was going to call Herb and tell him I was here.

After a few minutes, she walked back into the living room and told me to wait a few minutes. I didn't mind at all since she was straightening up a few things in the room and I was en-

joying the view. She would bend over the coffee table to wipe it off and I would just stare at that phat ass as it had trouble staying inside her skirt. She almost caught me as she looked up quickly in my direction but I tried to look away as fast as I could. The only problem was that I had a huge hard on that was difficult to hide.

For a moment, there was an awkward pause. We looked at each other waiting for the other to say something first. I break the silence by saying that I thought she was really pretty. She looked at me and asked if I really thought that. "I do." I said. "I think you're really hot and I often daydream about you." I see a small smile come across her face and it broadens into a bigger one. I wondered how that made her feel but by the expression on her face I think I knew. A moment later she got up and walked over to me, and placed both her hands on my thighs and gave me a little kiss on the lips.

She pushed my knees apart and dropped down between them. She told me to just lay back and enjoy what was about to happen. As I leaned back against the couch, I felt her rub my crotch and find that I had become quite hard. She reached for my belt, undid it, pulled my zipper down, and reached in and grabbed my cock. She played with it for a moment and then undid my pants and as I lifted my ass she pulled them down. In the same motion my boxers came off and my erection sprang to attention in front of her face.

Just to be sure I asked her if Herb was indeed out for the day. She said he was and began sucking my cock. I thought to myself that she had known this all along and had made plans to

do this to me the next time I came over. Those thoughts quickly disappeared as her mouth went down on my cock. She began to lick the tip of it and moved slowly down the shaft. Her hands played with my balls and I felt as though I was in heaven.

As I lay back with my eyes closed I heard her slurping her way up and down the length of my cock. It turns out she is a great cock sucker. I gathered myself together and asked her where she learned this. She looked up to me and smiled and then plunged her open mouth all the way down to the base of my cock. I felt her tongue come out and try to reach my balls. She pulled her mouth back, grabbed my shaft with her hand and pushed my cock to my stomach. She lowered her face onto my balls and took them in her mouth. I felt her tongue explore each one as she closed her lips tightly around them making both extremely sensitive. Her hand stroked my cock feverishly as her rhythm increased.

I finally opened my eyes and it occurred to me that she still had her top

on. I reached down her sides and pulled her top up over her head. I told her that I had been dying to see her boobs. She stood up in front of me and began to play with them. She pushed her left breast up to her mouth and began to suck on the nipple. After a few sexy licks she switched to the other breast. My eyes were fixated on what she was doing. She sat down next to me took my hands and placed them flush on her big boobs. Immediately I began squeezing them and she let out quiet moans of pleasure. I leaned forward and buried my face between them taking in the aroma of her body and the sweat between her boobs. The smell of it made me

even harder.

I stood up in front of her, my cock pointing at her chest and as I took a step closer to her she grabbed it and put it between her breasts. She rubbed them up and down on my cock, lowering her head from time to time to flick her tongue on the tip of my cock. I looked down at this wonderful sight, closed my eyes and opened them again to be sure I wasn't dreaming. I was now tit-fucking the most amazing boobs I have ever seen. I could've died right on the spot a happy man. But she had more in store for me as she grabbed my cock and began to suck on it again. As she sucked on it, I played with her breasts and within minutes I could feel myself ready to burst. Apparently, so could she.

But she told me I couldn't do it right then. She stood up and took my hand and pulled me across the living room and into her bedroom. She playfully pushed me down on the bed. I fell face first and stayed there. She quickly dropped her skirt and I felt her hands on my butt cheeks. She scratched them

and it made my butt rise in the air. When it did she reached under and grabbed my cock. Just by her actions I could tell that she wanted me on my knees. I obliged and felt her hand stroking my cock as if she was milking a cow. Soon her face was burrowed into my butt and I felt her tongue on my balls.

She paused for a moment and I felt her get on the bed on her back underneath me. She maneuvered herself into a position where my cock could go straight down her throat. As she did I immediately turned myself around and into a 69 position on top of her. I heard her moan and felt her arch her hips rise up to meet my tongue. I opened her thighs to gain access to her love button. I pulled open her pussy lips and began to lick her clit as I pumped my cock in and out of her throat. She grabbed my butt and pulled my hips down so my cock would go deeper into her mouth. I buried my tongue inside her slit as deep as I could and moved it around until I felt her thigh muscles begin to contract. That made me even more excited to think that she could come as I was licking her. Somehow in the middle of all this she released my cock and pushed both my nuts into her mouth. She sucked so hard that I felt one start to go down her throat.

Fearing for my balls I rolled us over so she was on top. This gave her better access to my rigid cock, and I think she also liked it as she buried her pussy on my face. I found her clit and began to suck on it as I felt it grow between my lips. I focused my attention on her boobs pressing against my belly. I reached for them and felt her raise her chest so I could cup them. I found each nipple and gave them a pinch in turn.

As I did I felt her teeth on my cock as she returned the pleasure. We went at it like college kids on their first fuck date.

After about an hour in each other's mouths I felt that I needed to cum. I told her to use her hand along with her mouth and jerk me off which she did with great abandon. As she did I fingered her ass hole and slowly stuck a finger in it as I was eating her out. As I came, I pushed the finger in all the way and she arched up with the soft scream in pain along with me. We disengaged a moment later as she fell back on the bed. After the heavy breathing stopped she looked at me and said "I never imagined you to be such a great lover." I looked at her and smiled and told her that I had been saving it up for her, and I was actually a bit out of practice. She laughed and got up to go to the bathroom to clean up.

I gave her a moment and followed

her in and as she was leaning over the sink I pushed my cock into her pussy. She didn't flinch as I rammed it in and out of her tight hole. She leaned over further onto the sink and raised up on her tip-toes so I could go in deeper. I fucked her from behind for a good 10 minutes. She raised herself and caught my eye in the medicine cabinet mirror in front of us. That told me she wanted to turn around and I pulled out and let her do it. Now, this angel was stark naked in front of me with her heavenly breasts right at my fingertips. I entered her pussy once again and grabbed both of her sizable melons as she leaned back on the sink. We fucked like this for another 10 minutes and I was ready to come again. Always the gentleman I pulled out at the last moment and she lowered herself so I could come on her breasts. I watched as she squeezed out the last drop.

We both finally cleaned up, redressed and went back out to the living room. She offered me something to drink and I said I would just like some water please. She poured me some spring water and a glass for herself. We went back to sit on the sofa and as we got there her brother came through the door. He threw his keys on the coffee table, said hello to his sister and to me. Herb asked if we were going golfing today. I told him the day had gotten kind of late and I was tired. Perhaps next week. I told him I had to go and would catch up with him at work. I thanked his sister for the water, grabbed my jacket and headed out the door. On the drive home my cell phone rang. I answered and heard her sweet voice telling me what a good time she had – and that I was welcome to come over and play anytime.

Most people may think that I have nice boobs, or think that I think so, but I think my best asset, not to sound corny, is my mind. It's the driving sexual organ and your mouth, pussy, boobs and ass cannot feel any excitement without it being excited first. I have to be in the mood for sex, even if I have to perform. I have to get my mind in gear and let it run wild. But between you and me, my boobs are pretty nice.

No doubt, this babe is really cute and probably sucks some mean dick. But at this point, with a big cock around, Vanessa chooses to have it put into all three holes. This babe takes the dick deep into her pussy and flashed that big grin in between moans and groans. By then her asshole was primed and ready for intrusion. Taking long deeps strokes, Vlad pushes her anal limits as she increases her moans. As he neared climax, she decides to suck his balls to help.
